Hey, Jam,

It's great to hear your sister finally have company to hang out with. Hope she won't lose her path and dream of becoming an actor. Y'a know, it sometimes happens with girls at her age. Anyway, thanks for asking me, hope my answer will help.

The most important part of our town is beach. The sea is everything your sister might think of: the friend, the mother, place where you finally can be alone... Ah, I really love it. There are some cafés just right in front of the water: you can eat and watch the sea changing and changing, again and again.

Of course, if your sister need place to party, she can go to the tourist's part of our town. It's easy to find: just go to the most colourfull street, and you found it, congrats.

About transport: not sure, but the bus will be cheaper. On the other side, taxi is faster and your sister will be able to talk to the taxist. They certainly know more.

Cant wait to see her and her friends.

Love y'a all,

Masha.
