My town is placed on the Baltic sea. So, many tourists comes to Svetlogorsk every year. Especially, in summer, because the weather is more comfortable.

As far as I am aware, the most luxurious hotel in my town is Grand Palace with five stars. I guess it is only for people, who loves relaxation and chilling near the swimming pool with cocktails in one hand and phone in other hand. They can do it all day.

However, for people, who prefer more active types of recreation, there is a guest house. Although it is cheaper, you have more abilities to spend your time, such as visiting some historical places, churches with guide tour, go to camping and so on.

It is your choice what type of hotel is the best for you, we always wait for you.

Best wishes,
Karolina
