Writing

From: Milena

Subject: my visit

Thank you for your letter. I'm so happy, because I will visit you and your family

I want to visit a very big city and country with beautiful landscapes. I like peace and quiet place. But I like noise and pollution city too. Because I have more opportunities. I think downtown is so bored. We can go to the cinemas and shops in the city, it's better.

We can use a hire bike or car. I think public transport is not convenient and it is very slow.

I think our travel will be good!

What about you?

What kind of place would you like to visit? Why?

What transport you and your parents prefer?

See you soon
