Subject: my visit

Hi Alex,

Thank you for your ~~letter~~ email. I am happy to get it from you. I will answer to your questions with pleasure.

I am really pleased to go to this amazing city - London. I wish we ~~will~~ have a good time together.

I would like to visit place like Big Ben. It is the most popular sightseeing in London. Also I want to visit some museums about history of this city. I think it will be interesting. I would like to have a picnic or go camping downtown.

We can sing songs near the fire, look at night sky, eat candies and sausages. To get around I prefer to use hire bikes. It is faster and more exciting than public transport, like bus.

I hope you will write me back. I will be waiting for your email.

Best wishes,

Polina
