## Writing

Dear Lou,

Thanks for your letter. It was really surprising to me. If you want to visit my area you have to prepare.

Firstly, if you want to come in winter or autumn you have to take some warm clothes or a swimming suit for summer. You also can not care about safety and comfort. This place has changed in last 20-30 years. Now it is a resort. But be careful at buying souvenirs. At some places they are very expensive. Of course, you can take some nice photos. You can photograph beaches, different hotels and churches. But the most interesting things to photograph are old german buildings. They are fantastic!

What about you? Please write me an e-mail as soon as you can.

Best wishes,

Alex
